

CVE Logo Usage Guidelines

Date: June 2, 2025
Version: 1.1

CVE is a trademark [™] and the CVE logo is a registered trademark [®] of the [Common Vulnerabilities and Exposures \(CVE[™]\) Program](#). Guidelines for using the CVE logo are included below.

1. Standard Logo

The official version of the CVE logo is below. The [®] trademark symbol MUST always be visible and readable in any displays of the CVE logo. It MUST NOT be removed or obfuscated.

2. Logo Colors

CMYK and RGB colors for the official version of the CVE logo are indicated below.

Dark Purple	Orange/Gold
C 88 M 77 Y 39 K 40	C 0 - M 57 - Y 96 - K 0
R 22	C 0 - M 42 - Y 95 - K 0
G 22	C 0 - M 31 - Y 100 - K 0
B 54	R 255 255 255
HEX #161636	G 110 148 176
	B 11 14 0

3. Logo Placement

Always ensure that there is sufficient clear space around the logo.

4. Word Mark

CVE is a word mark. The trademark symbol [™] MUST always be visible and readable when the CVE wordmark is introduced in content as shown below, with one exception: the trademark symbol SHOULD NOT be included in the syntax of a CVE Identifier (CVE ID).

Proper usage	Improper usage
CVE [™] Common Vulnerabilities and Exposures (CVE [™])	CVE [™] -2023-12345 

5. One-Color Logo

In certain instances, such as printing, the CVE logo may need to be reproduced using only a single color. When this occurs, the logo symbol and words, or logo symbol only, SHOULD BE reproduced using the printing conventions of a light color type on a dark background or a dark color type on a light background. The outline of the logo symbol and words or logo symbol SHOULD BE clearly distinguishable from the background color.

Single color light background	Single color dark background
	

6. Improper Logo Usage

DO NOT make any changes or modifications to the logo shape or colors for any reason.

7. Downloads

Downloadable copies of the logo are available on the [Resources page of the CVE.ORG website](#). Note that to save a logo file, you may need to right-click and choose a “Save Link As” or “Save Target As” option.

If you have questions about these guidelines, please use the [CVE Request Web Form](#) and select “Other” from the dropdown menu to contact the CVE Program.
